ANNEXURE- VII MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Special Note on Corona virus pandemic

The Corona virus disease (COVID-19) was declared a global pandemic by the World Health Organisation in March 2020. Following which, the Government of India then announced a nation-wide lockdown for six weeks and thereafter, a partial lock down in certain parts of the country, based on their risk profile.

The initial lockdown meant a complete slowdown of the economy and very limited demand for the Company's products and services. The Company has made committed efforts to support its business stakeholders, employees and service providers. It has geared itself to serve markets in different locations as the country re-opens, as per central and local government advisories. The Company is also working on various options to ensure that it effectively navigates through the crisis and emerges stronger.

Industry Structure and Developments

The global economy growth declined to 2.9% in 2019 as compared to 3.6% in 2018, as a result of an increase in global trade disputes and slowdown of the manufacturing sector, coupled with a global financial crisis. Global chemical production is forecasted to grow by 2.7% in 2020. Slowing external demand, rising borrowing costs, and persistent uncertainties have impacted the emerging market and developing economies. International trade and manufacturing activity have softened, trade tensions remain elevated and some large emerging markets have experienced substantial financial market pressures.

The Indian Dyestuff Industry has transformed from being import dependent to an export driven industry. Today, India exports dyes to the very same countries, on which it was dependant for imports till a decade ago. Dyes and Pigment group constitute one of the major components of chemical industry having vital role in the growing Indian economy. The Company operates into single segment with products comprising from Dyes, Pigments and Inks group, which are colouring materials having its customer base in several industries such as Textile, Paints, Coatings, Plastic, Paper etc. Ink products generally derive their colour value from dyes or pigments contained in them.

Opportunities and Performance

Dyes predominately find application in textiles with almost 80% of its production being used by textile sector. The other end applications involves paper, adhesives, art supplies, food and beverages, ceramics, construction, cosmetics, glass, paints, plastics and soap. The textile industry is expected to provide a positive growth trajectory and product demand in future due to several factors such as growing population, increasing disposable income, and changing consumer trends. The Textile Dyes market is projected to grow during next five years with CAGR of 6.00%. The growing demand for textile dyes for various fibre types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market. The consumption growth is projected to increase in regions such as Asia Pacific and Central & South America. During Financial Year (FY) 2019-20 the Company achieved sales volume of Dyes aggregating to 239 MT as compared to 337 MT in previous year.

Pigment products are used in paints & coatings, automotive finishes, printing inks, polyester textiles and plastics like PVC, rubber and synthetic polymers and nylons, paper. The main user industries, namely, Paint and Coatings and Textile, will continue to grow because of increase in discretionary spending. The global Pigments market is expected to grow at CAGR of 4.1%. As the future of the Pigments industry depends on the end-user industry, the constantly growing paint and coatings and plastics industry have been the main drivers of its growth. The major product groups of Organic Pigments are Azo Pigments, Phthalocyanine Pigments and Quinacridone Pigments. The Company mainly deals into Phthalocyanine pigment products. The Pigments industry is facing challenges on changing environmental regulations, increase cost of raw materials. Tightened environmental regulation, particularly in Asia Pacific Region, which accounts for 40% of the total business, led to consolidations throughout the supply chain. During FY 2019-20 the Company achieved sales volume of Pigment products aggregating to 1629 MT as compared to 1718 MT in previous year.

Growing digital printing sector will fuel the demand for Ink products. However, due to adverse effects of the rollout of GST which impacted the textile sector most, the Ink products volume was impacted. Countries such as India and China being major producers of dyes are likely to provide positive scope for printing inks application across the Asia Pacific. Textiles are expected to witness a significant growth owing to rapid growth in the emerging economies. During FY 2019-20 the Company achieved sales volume of Ink products aggregating to 233 MT as compared to 179 MT in previous year, but with lower price realisation.

During FY 2019-20 the Company achieved sales revenue of ₹ 11069 Lakhs as compared to ₹ 11587 Lakhs in FY 2018-19 with decrease of 4.47%. EBITDA for the year was ₹ 396.05 Lakhs as compared to ₹ 522.49 Lakhs during the previous year, down by 24.20%. The Company operating profits declined due to stagnancy of sales and reduction of margins Ink products.

Outlook and Strategy

The long-term growth prospects of the Indian economy being positive, the textile industry is also expected to grow in view of growing population, increasing disposable income, and changing consumer trends. The growing demand for textile dyes for various fiber types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market. Constantly growing paint and coatings and plastics industry will be main drivers for growth pigment products market. It is expected that growing digital printing sector will boost the demand for Ink products. Market for Inks used for digital printing will also have exponential growth with significant growth expected in Textile sector. Constantly changing fashion trend is also expected to drive textiles industry, thereby propelling the market growth. Other than Phthalocyanine pigments, the Company is intending to add more product range of pigments to customers in

existing and new markets. In case of Ink products for digital printing, the Company will make efforts to enter into arrangement with printer manufacturers.

Risks, Concerns and Threats

Stringent environmental regulations may hamper the growth of the dyes & pigment industry. Most of the advanced countries are imposing new and more stringent ecological norms which can restrict the exporter's capability to grow, as complying with ecological norms is too expensive. Also the regulations are having an adverse effect on the availability of raw material and intermediate input products for the industry. The current slowdown in Indian economy may persist for longer period affecting the overall growth of the Company. Exchange-rate fluctuations, COVID-19 pandemic, Trade war between US and China, etc are all areas of concern which your Company may face from time to time. High cost of spares for digital printers and limitation in skilled work force in middle level are restricting the expected growth of Digital Textile Printing.

Internal Control Systems and their adequacy

The Company has a proper and adequate system of Internal Control commensurate with the size and nature of its operations to ensure that all assets are safeguarded against unauthorized use or disposal, ensuring true and fair reporting and compliance with all applicable regulatory laws and Company policies. Internal Audit Reports are reviewed by the Audit Committee of the Board.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF JAYSYNTH DYESTUFF (INDIA) LIMITED

Opinion

We have audited the accompanying standalone financial statements of **JAYSYNTH DYESTUFF (INDIA) LIMITED** (“the Company”), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, and amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2020, and its profit (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Emphasis of matter

We draw attention to note 1 (XXIII) to the accompanying standalone financial statements, which describes the effects of uncertainties relating to Covid-19 pandemic outbreak on the Company’s operations and management’s evaluation of its impact on the accompanying standalone financial statements as at 31st March, 2020, the impact of which is dependent on future developments. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to the Board report, Corporate Governance report and Shareholder’s information, but does not include the standalone financial statement and our auditor’s report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) In our opinion, the managerial remuneration for the year ended 31st March, 2020 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2020 on its financial position in its standalone financial statements - Refer Note 35 to the standalone financial statements;
 - ii. The Company has made provisions, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long-term contracts including derivatives contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended 31st March, 2020;

ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT

Report of Even Date on The Standalone Financial Statements of Jaysynth Dyestuff (India) Limited.

Report on the Internal Financial Controls over Financial Reporting under Clause (I) of Sub-Section 3 of Section 143 of The Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of JAYSYNTH DYESTUFF (INDIA) LIMITED ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

1. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

2. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business,

including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

4. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Financial Statements for the year ended 31st March, 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

I. GENERAL INFORMATION

The Company was established in 1985 and is engaged in manufacturing of dyes, pigment and ink. The manufacturing facilities are located at Taloja and Patalganga, Maharashtra. The Company is listed on Bombay Stock Exchange. The registered office is located at 301, Sumer Kendra, Pandurang Budhkar Marg, Worli, Mumbai 400 018, Maharashtra.

II. BASIS OF PREPARATION AND PRESENTATION

A) Compliance with Ind AS

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount like

- i) Certain Financial Assets and Liabilities (including derivative instruments),
- ii) Defined Benefit Plans – Plan Assets
- iii) Leases
- iv) Any other item as specifically stated in respective accounting policy

B) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

III. USE OF ESTIMATES AND JUDGMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

IV. PROPERTY, PLANT AND EQUIPMENT

The Company had elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of transition date measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. Historical cost includes expenditure that is directly attributable to bringing the assets to its working condition. Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spare parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

Depreciation methods, estimated useful lives and residual value.

Useful life considered for calculation of depreciation for various assets class are as follows-

ASSET CLASS	ESTIMATED USEFUL LIFE
Building – Factory	30 years
Plant & Machinery	15 years
Electrical Installation	15 Years
Equipment	15 Years
Equipment – Computer	6 Years
Equipment – Print Head	3 Years
Furniture & Fixture	10 Years
Vehicle	8 Years

Depreciation on all property plant and equipment is provided on straight line basis.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on property plant and equipment added/disposed off during the year is provided on pro rata basis with reference to the date of addition/disposal.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

V. LEASES

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted by using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The company didn't recognize Right to Use and Lease liabilities for lease for which the lease terms ends within 12 months on the date of initial transition and low value assets.

Due to transition, the nature of expenses in respect of operating leases has changed from "lease rent" to "depreciation cost" and "finance cost" for the right-to-use assets and for interest accrued on lease liability respectively, and therefore, these expenses for the current year are not comparable to the previous years, to that extent.

(LEASE TABLE)

On transition to the Ind AS-116, Impact thereof is as follows:

Particulars	Amount (in ₹)
Right-to-use assets	25,72,371
Lease liabilities	27,79,374

VI. INVESTMENT PROPERTIES

The Company has elected to continue with the carrying value of all of its investment property recognized as of transition date measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

VII. INTANGIBLE ASSETS

The Company has elected to continue with the carrying value of intangible assets recognized as of transition date measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets and is amortized over a period of 6 years on straight line method over estimated useful life.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

VIII. IMPAIRMENT OF TANGIBLE (PPE) AND INTANGIBLE ASSETS

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent markets transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

IX. IMPAIRMENT OF FINANCIAL ASSETS

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

X. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XI. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost Formulae used is first in first out.
- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Goods in transit are stated at cost.
- (4) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

XII. INVESTMENTS AND OTHER FINANCIAL ASSETS

A. Classification-

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

B. Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

C. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

XIII. INVESTMENTS IN SUBSIDIARIES

Investments in subsidiaries are recognized at cost as per Ind AS 27 except when those are required to be accounted as per Ind AS 105 Non- Current Assets held for Sale and Discontinued Operations.

XIV. REVENUE RECOGNITION

The company derives revenues primarily from sale of goods comprising of dyes, pigment and ink.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover discounts to customer as specified in the contract with the customers.

Use of significant judgements in revenue recognition

Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period.

Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.

Export incentives are recognised as income of the year on accrual basis. In case of utilisation for Import purpose the same is recognised as raw material cost in the year of import.

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

XV. EMPLOYEE BENEFITS

A. Short term obligation

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Post-employment obligations

The Company provides the following post-employment benefits:

(a) Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of defined benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognized in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

(b) Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XVI. FOREIGN CURRENCY TRANSLATIONS

A. Functional and presentation currency:

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

B. Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XVII. PROVISIONS AND CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liabilities are disclosed on the basis of judgment of management/independent experts. The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change.

The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

XVIII. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determined on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/appeals.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance sheet and corresponding tax bases use in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial recognition of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

XIX. FAIR VALUE MEASUREMENT

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XX. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the net profit after taxes attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XXI. STATEMENT OF CASH FLOW AND CASH AND CASH EQUIVALENTS

Statement of cash flow is prepared in accordance with the indirect method prescribed in the relevant Ind AS. For the purpose of presentation in the Statement of the Cash Flow, Cash and Cash Equivalents includes cash on hand, cheques and drafts on hand, deposit held with banks, other short term, highly liquid investments with the original maturities of three month or less.

XXII. PROPOSED DIVIDEND

The Dividend recommended by the Board of Directors is 15% on equity share which is pending for approval at the 35th Annual General Meeting. The Company recognizes a liability to pay dividend when the distribution is authorized and the distribution is no longer at the discretion of the Company i.e. when the dividend distribution is being approved by the shareholders. A corresponding amount is recognized directly in equity.

XXIII. IMPACT OF COVID 19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. The Government of India ordered a nationwide lockdown in phased manner till 31st May 2020 to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities. Even after 31st May 2020, unlocking is under process and situation has not returned to normal. In assessing the recoverability of Company's assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the Company has considered internal and external information. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information/indicators of future economic conditions, the Company expects to recover the carrying amount of the assets.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JAYSYNTH DYESTUFF (INDIA) LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **JAYSYNTH DYESTUFF (INDIA) LIMITED** (herein referred to as "the holding Company") and its subsidiary (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit & Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement for the period then ended and the Statement of Changes in Equity for the year then ended, and notes to the consolidated Financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of such subsidiary which was audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2020, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis For Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to Note 1 (XXII) to the accompanying standalone financial statements, which describes the effects of uncertainties relating to Covid-19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the accompanying consolidated financial statements as at 31st March, 2020, the impact of which is dependent on future developments. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the

Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of respective company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary included in the Consolidated financial statements, which constitute (all figures before intercompany eliminations) the total assets of ₹ 14,07,41,557 and net assets of ₹ 13,36,74,520 as at 31st March, 2020, total revenue of ₹ 14,17,26,064, net cash flows of ₹ 26,54,418 for the period ended on that date, as considered in the Consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiary as was audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary company which was not audited by us, the remuneration paid during the current year by the Holding Company and its subsidiary companies to its directors is in accordance with the provisions of Section 197 of the Act.

- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, as noted in the 'Other Matters' paragraph:
- i. The Company has disclosed the impact of pending litigations as at 31st March, 2020 on its financial position in its consolidated financial statements - Refer Note 35 to the consolidated financial statements;
 - ii. The Company has made provisions, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long-term contracts including derivatives contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended 31st March, 2020.

ANNEXURE-A TO INDEPENDENT AUDITOR'S REPORT

Of Even Date on the Consolidated Financial Statements of Jaysynth Dyestuff (India) Limited for the year ended 31st March, 2020.

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph A(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2020, we have audited the internal financial controls with reference to consolidated financial statements of Jaysynth Dyestuff (India) Limited. (hereinafter referred to as "the Holding Company") and its subsidiary company, as of that date.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters, the Holding Company and its subsidiary company, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary company in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to a subsidiary company, is based on the corresponding reports of the auditors of such company.

Jaysynth (Europe) Ltd Park House, 200 Drake Street Rochdale, Lancashire OL 16 1PJ	U.K.	100%	100%

II. BASIS OF PREPARATION AND PRESENTATION

A) Compliance with Ind AS

These Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

These Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount like

- i) Certain Financial Assets and Liabilities (including derivative instruments),
- ii) Defined Benefit Plans – Plan Assets
- iii) Leases
- iv) Any other item as specifically stated in respective accounting policy

B) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

C) Principles of Consolidation

Subsidiary is an entity over which the Holding company has control. Subsidiary is fully consolidated from the date on which control is transferred to the Holding company.

The acquisition method of accounting is used to account for business combination by the Group. The Group combines the financial statements of the Holding Company and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary are changed where necessary to ensure consistency with the policies adopted by the Group.

III. USE OF ESTIMATES AND JUDGMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

IV. PROPERTY, PLANT AND EQUIPMENT

The Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of transition date measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. Historical cost includes expenditure that is directly attributable to bringing the assets to its working condition. Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spare parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

Depreciation methods, estimated useful lives and residual value.

Useful life considered for calculation of depreciation for various assets class are as follows-

ASSET CLASS	ESTIMATED USEFUL LIFE
Building – Factory	30 years
Plant & Machinery	15 years
Electrical Installation	15 Years
Equipment	15 Years
Equipment – Computer	6 Years
Equipment – Print Head	3 Years
Furniture & Fixture	10 Years
Vehicle	8 Years

Depreciation on all property plant and equipment is provided on straight line basis.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on property plant and equipment added/disposed off during the year is provided on pro rata basis with reference to the date of addition/disposal.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

V. LEASES

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted by using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The company didn't recognize Right to Use and Lease liabilities for lease for which the lease terms ends within 12 months on the date of initial transition and low value assets.

Due to transition, the nature of expenses in respect of operating leases has changed from “lease rent” to “depreciation cost” and “finance cost” for the right-to-use assets and for interest accrued on lease liability respectively, and therefore, these expenses for the current year are not comparable to the previous years, to that extent.

(LEASE TABLE)

On transition to the Ind AS–116, Impact thereof is as follows:

Particulars	Amount (in ₹)
Right-to-use assets	25,72,371
Lease liabilities	27,79,374

VI. INVESTMENT PROPERTIES

The Company has elected to continue with the carrying value of all of its investment property recognized as of transition date measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

VII. INTANGIBLE ASSETS

The Company has elected to continue with the carrying value of intangible assets recognized as of transition date measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets and is amortized over a period of 6 years on straight line method over estimated useful life.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

Goodwill on acquisition of subsidiary is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

VIII. IMPAIRMENT OF TANGIBLE (PPE) AND INTANGIBLE ASSETS

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent markets transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Goodwill that has an indefinite useful life is not subject to amortisation and tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

IX. IMPAIRMENT OF FINANCIAL ASSETS

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company’s past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

X. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XI. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost Formulae used is first in first out.

- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, labour and a proportion of manufacturing overheads based on normal operating capacity. Goods In transit are stated at cost.
- (4) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

XII. INVESTMENTS AND OTHER FINANCIAL ASSETS

a. Classification-

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

b. Measurement

At initial recognition, the Company measures a financial asset at its fair value . Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

c. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

XIII. REVENUE RECOGNITION

The company derives revenues primarily from sale of goods comprising of dyes, pigment and ink.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover discounts to customer as specified in the contract with the customers.

Use of significant judgements in revenue recognition

Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period.

Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.

Export incentives are recognised as income of the year on accrual basis. In case of utilisation for Import purpose the same is recognised as raw material cost in the year of import.

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

XIV. EMPLOYEE BENEFITS

a. Short term obligation

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

b. Post-employment obligations

The Company provides the following post-employment benefits:

(a) Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of defined benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognized in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

(b) Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XV. FOREIGN CURRENCY TRANSLATIONS

a. Functional and presentation currency

The consolidated financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

On Consolidation, exchange differences arising from the translation of any net investment in foreign entity is recognised in foreign fluctuation reserve.

b. Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XVI. PROVISIONS AND CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liabilities are disclosed on the basis of judgment of management/independent experts. The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change.

The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

XVII. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determined on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/appeals.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance sheet and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those

deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial recognition of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

XVIII. FAIR VALUE MEASUREMENT

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XIX. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the net profit after taxes attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XX. STATEMENT OF CASH FLOW AND CASH AND CASH EQUIVALENTS

Statement of cash flow is prepared in accordance with the indirect method prescribed in the relevant Ind AS. For the purpose of presentation in the Statement of the Cash Flow, Cash and Cash Equivalents includes cash on hand, cheques and drafts on hand, deposit held with banks, other short term, highly liquid investments with the original maturities of three month or less.

XXI. PROPOSED DIVIDEND

The Dividend recommended by the Board of Directors is 15% on equity share which is pending for approval at the 35th Annual General Meeting. The Company recognizes a liability to pay dividend when the distribution is authorized and the distribution is no longer at the discretion of the Company i.e. when the dividend distribution is being approved by the shareholders. A corresponding amount is recognized directly in equity.

XXII. IMPACT OF COVID 19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. The Governments in different countries ordered a nationwide lockdown in phased manner to prevent community spread of COVID-19 resulting in significant reduction in economic activities. Unlocking is under process and situation has not returned to normal. In assessing the recoverability of Company's assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the Company has considered internal and external information. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information/ indicators of future economic conditions, the Company expects to recover the carrying amount of the assets.
