d)	Rationale for the Scheme	<p>Rationale for Part C of the Scheme which deals with the reduction of capital and re-organisation of reserves of the Transferee Company.</p> <ul style="list-style-type: none">• The Transferee Company had suffered substantial losses from 1999 till date, due to which the Company's retained earnings had turned into negative;• In the circumstances, the scheme proposes to set off the debit balance of Retained Earnings of the Transferee Company as on the Appointed date against the credit balance lying under the various reserves as specified herein;• The proposed reorganization of the reserves is in the interest of the Transferee Company, shareholders, creditors, and all concerned stakeholders. If the Scheme is approved, the books of the Company would present a fair representation of the financial position of the Transferee Company. <p>Rationale for Part D of the Scheme which deals with the amalgamation of (by way of merger of Transferor Companies with and into Transferee Company</p> <ul style="list-style-type: none">• Providing liquidity to the public shareholders of Transferee Company through the merger of Transferor Companies, having active manufacturing operations into Transferee Company which does not carry out any operations at present;• The Transferor Companies and the Transferee Company are already engaged in the same line of business activities i.e., of manufacturing of dye and dyes intermediary products, Trader of CPC-based Pigment, and Inks for digital printing and furthermore, the manufacturing facilities of the Transferor Companies and the Transferee Company are situated adjacent to each other. The proposed merger will enable the integration of the business activities of the Transferor Companies and the Transferee Company• Economies of scale will play a bigger role as the consolidated entity's operational efficiency will increase, which will in turn allow the merged entity to compete on a larger scale in the industry, thus benefiting the merged entity and the shareholders;• The combined net worth of all entities will enable the merged entity to tap into new business opportunities

		<p>thereby unlocking growth opportunities for the merged entity considering the financial strength of the Transferee Company post the amalgamation;</p> <ul style="list-style-type: none">• It will provide an opportunity to leverage assets and build a stronger sustainable business. It will provide an opportunity to fully leverage the combined net worth, capabilities, experience, expertise, consolidation of adjoining land parcels in MIDC, Patalganga, and infrastructure of Transferor Companies and thus increase the ability for promotion of business activities as well as fundraising for business development;• It would result in the consolidation of business activities and will facilitate effective management of investment and synergies in operations;• Being a part of the same management, this amalgamation would facilitate reduction in the management overlaps due to operation of the multiple entities and more focused leadership;• Reduction in multiplicity of legal and regulatory compliances, reduction in overheads, including administrative, managerial and other costs amongst all; and• Consolidation and simplification of the group structure and reduction of administrative costs at the group level <p>There is no likelihood that the interests of any shareholder or creditors of any of the Transferor Companies or the Transferee Company would be prejudiced as a result of the Scheme. The Scheme does not affect the rights of the creditors of the Transferor Companies or the Transferee Company. There will not be any reduction in amounts payable to the creditors of the Transferor Companies or the Transferee Company, nor there shall be any change in terms with creditors which is adverse to their interest, pursuant to the sanctioning of this Scheme.</p>
